

**Franklinton High School**  
**September 16, 2025**

STATE AND FEDERAL FUNDS **Total \$423,693.10 (not including fund 499)**

These are State and Federal funds now available to FHS. Allocations are based on enrollment from last year. As enrollment grows these amounts will increase.

**STATE**

QUALITY COMMUNITY SCHOOLS (FUND 499). **\$400,000 to \$450,000.** Purpose is to provide additional funding to community schools of quality. This will be our third year of this funding.

**FEDERAL**

21<sup>st</sup> CENTURY COMMUNITY LEARNING CENTERS. (Fund 509). **\$200,000.** This is our 3<sup>rd</sup> year of participation in this 5-year program. The program provides opportunities for low-income students and/or students who are low-performing to receive expanded learning opportunities toward academic supports, youth development activities, community partnerships, and family engagement.

IDEA (Individuals with Disabilities Education Act) (Fund 516). **\$58,516.00.** These funds support provision of special education services to children with disabilities ages 3 to 21 in Ohio.

TITLE I. (This is a Title section under the Elementary and Secondary Education Act --ESEA, originally from 1965). (Fund 572). **\$133,880.74.** Funds are to provide adequate resources and instructional supports in order to raise substantially the achievement of students in high poverty schools.

TITLE II A. (Also, a section under ESEA) (Fund 590). **\$10,323.41.** The purpose is to support and increase school personnel who are effective in improving academic achievement in schools by improving the quality and effectiveness of teachers, principals, and other school leaders.

TITLE IV A. (Also, a section under ESEA) (Fund 584). **\$10,472.20.** The purpose is to support programs and activities designed to meet student support and academic enrichment purposes. This includes college and career readiness, and learning and work essential skill development.

MCKINNEY-VENTO. (Fund 572—so a subset of Title I). **\$10,500.75.** These are federal funds to support homeless students and families. We will use them to provide social work support with connections to resources.

ESSER. (Fund 507). Between 2020 and 2023 Franklinton High School received \$1,378,285 federal funds under the Elementary and Secondary School Emergency Relief Funds. (ESSER) This was made available to the school in 3 different allocations. The funds were used to maintain teacher salaries during and following national and Ohio COVID mitigation efforts. The final expenditure from these funds was made May 2024.
