

# English Language Arts

## **ELA 1**

Develops foundational reading, writing, speaking, and listening skills through the study of literature and informational texts.

## **ELA 2**

Builds upon core literacy skills with an increased focus on analytical reading, structured writing, and critical thinking.

## **ELA 2 Honors**

Provides an accelerated English curriculum emphasizing advanced reading comprehension, analytical writing, and in-depth literary study.

## **ELA 3**

Focuses on American and world literature, strengthening argumentative writing, research skills, and textual analysis.

## **ELA 4**

Prepares students for postsecondary education through advanced literary analysis, research-based writing, and professional communication skills.
